- The Golf Australia Handicapping System is based on the assumption that every player will endeavour to make the best score they can at each hole in every round they play and that they will report every eligible round for handicapping purposes, regardless of where the round was played. Players who fail to meet this requirement are effectively operating outside the System and, at the discretion of the Golf Advisory Committee, may have their handicap re-assessed or withdrawn.

- The player must be ready to play at the starting time (Rule 5.3(a)).
- The Committee reserves the right to alter starting times.

2.16 PACE OF PLAY

A round of golf is meant to be played at a prompt pace. Each player should recognize that his or her pace of play is likely to affect how long it will take other players to play their rounds, including both those in the player's own group and those in following groups.

All players must maintain their place in the field, which is immediately behind the group in front and not ahead of the group behind.

It is a group responsibility and not an individual one for the speed of play. All members & visitors should be proactive in addressing the slow play problem.

Should your group fall a clear hole behind (e.g. you are on the tee of a four or five par hole and the previous group has already left the green) you are behind. If on the first tee, and the group ahead has left the

green, your group is behind.

If asked to “catch-up” to the group in front by a Club Official, a group has 2 holes to achieve its correct position in the field.

Players are encouraged to allow faster groups to play through.

The Club will monitor the Pace of Play by using the GolfTag system.

Pace of Play Recommendations. (Rule 5.6b) The player should play at a prompt pace throughout the round, including the time taken to:

- Prepare for and make each stroke,
- Move from one place to another between strokes, and
- Move to the next teeing area after completing a hole.
- A player should prepare in advance for the next stroke and be ready to play when it is his or her turn.
- When it is the player’s turn to play, it is recommended that the player make the stroke in no more than 40 seconds after he or she is (or should be) able to play without interference or distraction, and
- The player should usually be able to play more quickly than that and is encouraged to do so.

If a group is not ***Keeping Pace*** with the group ahead, it is expected you will adopt ***Ready Golf*** until you have ‘caught up’ with the players ahead. Quite simply, *Ready Golf* is a common- sense approach to play the ball when ready.

- Dismiss all honours;
- Don’t wait for others before approaching the tee and hitting;
- Proceed to your ball as quickly as possible;
- Play the ball as soon as it is safe to do so.
- In match play, you and your opponent may agree that one of you will play out of turn to save time.

Pace of Play Tips

- **Prior to play**, Check-in at least **20 minutes** prior to your tee time
- Be on the tee 5 minutes prior to your tee time (not on the putting green or driving range).
- Encourage one another to move along and keep up.
- Don't play honours from the tee, if you are the shorter hitter play first or if you are ready and the players in front are out of range, then **hit**.
- Play your shot if it is **safe** to do so, even if you are closer to the hole than playing partners.
- Take no longer than 40seconds to play your shot.
- Take no longer than 3 minutes to search for a ball (Rules of Golf 2019)
- Walk **briskly** between shots.
- If you putt out and you are **behind**, walk to the next tee and hit off, even if your group is still putting.

2.17 GRADES

- Players in men's and medley competitions will be allocated into grades in accordance with the following schedule if numbers warrant:
 - ‘A’ Grade Daily Handicap up to 12
